

Quality is the most important word at our foundry to achieve zero defect in our foundry, we work hard for improving processes and products.

Our foundry unit has been awarded prestigious ISO 9001 - 2000 / TS - 16949 certification from reputed UL India

5 "S", 3 "M", TPM, TPS and Kaizen are the tools to achieve the target of Zero PPM at customer end. Continual workers training is very important in this process. Officers from Hero Honda, Bajaj Auto, TVS, KSB and Mico Bosch visit our works and regularly train our people.

We at our works conduct awareness programs regarding quality and total Customer delight.
